FOR IMMEDIATE RELEASE

OS National Announces 3rd Party ALTA Best Practice Certification

Company continues to exceed customer's expectations to offer certified and trusted title and settlement services

DULUTH, GEORGIA (March 7, 2017) – OS National LLC, national title provider, announces successful attainment of the American Land Title Association (ALTA) Title Insurance and Settlement Company Best Practices third party certification by [Frazier & Deeter CPAs & Advisors](#), one of the nation's largest CPA firms and ALTA Elite Provider.

"We are ecstatic to receive our third-party certification that our business practices and the services we offer our valued customers meet the ALTA Best Practices," said Jamie Wunder, Managing Partner of OS National. "This third-party validation is further assurance to our customers that we are their trusted title and settlement provider and uphold our business to the highest standards set."

Frazier & Deeter performed assessment procedures related to the following ALTA Best Practices:

1. Licensing
2. Escrow Accounting Procedures
3. Privacy and Information Security
4. Settlement Procedures
5. Title Policy Production & Delivery
6. Professional Liability Insurance Coverage
7. Consumer Complaints

The scope of Frazier & Deeter's engagement was performed in accordance with attestation standards established by the American Institute of Certified Public Accountants in relation to the Procedures.

“In our reports dated February 28, 2017, we stated that, in our opinion, the Company’s title insurance and settlement practices, as of May 31, 2016, comply, in all material aspects, with the ALTA Best Practices based on the ALTA criteria,” said Tracey Webb, principal at Frazier & Deeter, LLC.

“Our ALTA Best Practices certification is another way how OS National is redefining title solutions,” said Charles Chacko, Managing Partner of OS National. “We want to uphold our company and employees to the highest standards in the industry.”
